The Director,
M/s Eagle Infra India Ltd.
Eagle Nest, Block No. 758,
Behind Chopda Court,
Ulhasnagar – 421003, Maharashtra.

No.: JKSDM/2026/247114/ 479

Dated: 15 -07-2026

Subject: Clarifications regarding Pre-bid queries raised in response to RFP floated for selection of Anchor Industry Partners for Jammu/Kashmir Cluster under PM-SETU Scheme in J&K UT.

Ref: E-mail received on 13.07.2026 and 14.07.2026 regarding the subject cited above.

Sir,

I am directed to share the responses to the pre-bid queries raised through the e-mail under reference above, as under:

S. No.	Queries Raised	Reply/Clarification
1.	Kindly clarify whether the 17% Industry (AIP) contribution is required as a one-time contribution or can be contributed in equal installments over the five-year project period. If installment-wise contribution is permitted, kindly specify the applicable payment schedule.	The Anchor Industry Partner shall contribute its committed share in a phased manner over the five-year project period as determined by them. The annual contribution shall be aligned with the Annual Operation Plan (AOP) prepared by the SPV in accordance with the approved Strategic Investment Plan (SIP). Accordingly, the entire minimum industry contribution of 17% of the project cost is not required to be deposited upfront.
2.	We kindly request that the 17% Industry Partner (AIP) contribution be allowed to be paid in equal installments over the five-year project period instead of as a one-time payment. This will help ensure smooth project implementation and better financial planning. We request your kind consideration of this proposal.	Further, it is requested that the bidders may also refer to the FAQs for a better understanding of the Scheme. https://pm-setu.skillindiadigital.gov.in/

Yours faithfully,

Officer on Special Duty
J&K Skill Development Mission
